COMMERCIAL INVOICE/PACKING LIST

Please prepare the invoice/packing list with the following details:

- Commercial invoices and packing lists can be combined on one document if they list quantity, description, value of each item and the weight and dimensions of each package.
- Electronic copy of each commercial invoice in Excel format sent to:
APT Showfreight Singapore: Abdul Ghani- ghani@aptshowfreight.com

PACKING

Due to multiple handling of freight cases TWI urges exhibitors to use strong wooden cases. Bolted returnable types of cases that offer protection from the elements are ideal. If your cases are secured with a lock or combination, please provide the key or combination for Customs purposes.

INSURANCE

It is recommended that exhibitors provide insurance coverage for their goods from point of departure through to final destination. It is further recommended that such insurance coverage be provided for the transit period and while on-site at the exhibition (including movement and dismantling periods).

SHIPMENTS WITH NON-MANUFACTURED WOOD PACKING

All shipments containing Non-Manufactured Wood Packing (NMWP) must be either **heat-treated or fumigated**. NMWP and Solid Wood Packing Material (SWPM) must bear markings indicating the type of treatment under the ISPM 15 regulations. Any packing that does not comply with these requirements will be refused, destroyed, or returned to its origin, resulting in a considerable delay.

TERMS OF PAYMENT

All **TWI/APT Showfreight Singapore** invoices for **MRO Asia-Pacific 2026** are for immediate payment. Major credit cards accepted include American Express, Visa, Mastercard and Eurocard. Please note, if payments are to be made onsite, APT Singapore does NOT accept American Express or Eurocard.
